Canoe Rack Rental Information

Parks and Recreation, 3400 Plymouth Boulevard, Plymouth, MN 55447
Ph. 763-509-5200

Plymouth residents may apply for a rental space at either Parkers Lake or Medicine Lake (available at the East Beach), beginning April 1. Non-residents may apply after April 5. Spaces will be available for use May 1 through October 15 for a fee of $45 ($48.27 including sales tax) for residents and $65 ($69.73 including sales tax) for non-residents, plus tax. Renters must provide their own locks and must accept all responsibility for vandalism or loss. For more information, call 763-509-5200.

All watercraft used in the State of Minnesota must be registered with the State. Call 651–296–2316 to request an application if you haven't already registered your canoe.

The Plymouth Parks and Recreation Department will recognize only the person whose signature appears on the application card as being the responsible holder of said rack. At no time may this individual sub-lease or receive remuneration for the use of leased rack without acquiring authorization from the Parks and Recreation Department.

Rental to Bona Fide Canoe Owners Only
No rental shall be issued to anyone except a bona fide canoe owner who certifies on the card provided that the address stated is his/her legal residence and that the canoe to be registered is seaworthy. Suitable identification of the canoe must be stated on the card, including color and manufacturer's number, if at all possible. Owner must also furnish a Minnesota State Watercraft registration number.

City Permit
The City of Plymouth will issue an identifying sticker that must be displayed on canoe at all times for verification of rental. Any canoe without a sticker will be removed from rental rack by the City. Sticker will be issued after we receive payment for the canoe rack.

Life Preservers
Each occupant must carry at least one Coast Guard approved flotation device at all times while on board canoe.

Removal of Canoe at Season's End
All canoes must be removed from rack no later than October 15.

Securing of Canoe
It is mandatory that your canoe be secured by your own device to the assigned rack at BOTH the front and rear. This is to prevent the canoe from coming loose during high winds. If this should occur, damage to other canoes would be considered the liability of the canoe's owner.

SPECIAL NOTICE

Canoes still on racks after October 15 may be impounded. A minimum service charge of $50 will be required for owners to reclaim their watercraft. Further, in order to provide protected storage space, such impoundment will include a minimum fee of $10 per month for each month following impoundment.

Enclose payment of $48.27 for residents or $69.73 for non-residents.
This includes sales tax.
